**FACT:** The FY2014 county budget was the largest budget in county history (even without the Fire Tax consolidation)  
**FACT:** Frederick County tax rates AND tax revenues have never been higher than they are right now.  
**FACT:** Young boasts of cutting fees and taxes, but most of the fees and the only tax cut have been for developers (and when the Excise Tax for road improvements required for new development was reduced to zero, the cost of those necessary improvements were passed from developers to county taxpayers)
