Good Afternoon Ms. Norris-Waldt,

I have reviewed your letter dated February 23, 2022, which was e-mailed to me on Friday, February 25, 2022.

The letter repeats the request previously made and for which a specific denial was made by letter October 27, 2021. In addition to providing the basis for the denial, my prior letter also clearly set forth the options available to Envision Frederick County – *i.e.*, seek judicial review of the decision or direct your concerns to the Public Access Ombudsman.

Because your recent letter is essentially the same request previously made, the County is not treating this as a new request and the options previously available to Envision Frederick County remain available.

Thank you,

Andrew
